RENTAL AND PARTICIPATION TERMS

PAINTBALL

Read through the terms – it is about your safety.

GENERAL TERMS

- Always follow the game marshal's instructions. Every game starts with a safety briefing.
- The equipment is ours and is on loan during the game. Use it only as intended and hand everything back after the game.
- If equipment is damaged through intent, carelessness or improper use, or is missing after the game, the person who caused the damage pays for it.
- We charge the actual cost of repair. If the equipment cannot be repaired, or is missing, we charge its value taking age and condition into account. In both cases no more than the amounts stated below.
- Normal wear and tear, and damage that occurs even though the equipment has been used correctly, is not charged.
- The person who made the booking makes sure the group knows the terms and that the equipment is returned. If it cannot be settled on site who is to pay for damage, we invoice the person who made the booking.
- Anyone who breaks safety rules or instructions can be sent off. Payment is still due.
- Anyone under the influence of alcohol or drugs may not take part. Payment is still due.
- In thunderstorms or storms we do not play outdoors. This also applies to the forest field, where branches can fall. If the forecast clearly shows such weather, we offer another time or day. If no other time suits, we cancel free of charge. If the bad weather comes suddenly, we may have to stop a game in progress. Payment is then still due.
- All physical contact is forbidden in all games.
- The activities are physical. You are responsible for your own belongings and for injury or damage you cause to yourself or others.
- We are liable for damage or injury caused by fault or negligence on our part.
- The booking is for a fixed day and time. There is therefore no right of withdrawal under the Swedish Distance Contracts Act. The cancellation rules in the booking terms apply instead.

PAINTBALL

Paintball is played at our forest field in Lokrume.

- **Age:** Standard Paintball from age 13, Low Impact from age 10. Under 18, a guardian's written consent is required.
- **Under 18:** The marker is rented and used under our supervision.
- **Mask:** The mask must be worn at all times on and near the playing field. It may only be taken off in the safe zone. If anyone is on the playing field without a mask, the game is stopped immediately.
- **The marker:** Do not fire until after the game marshal's briefing and only on the test-firing range or on the playing field while a game is in progress. Never aim or fire at anyone without a mask.
- **Own equipment:** Your own markers must meet the requirements for licence-free, limited-power weapons. Other markers are not allowed on the playing field. Bringing your own equipment does not change the price, and your own paintballs are not allowed.
- **Nature and animals:** Vegetation on and around the playing field may not be cut down, broken or destroyed. Anyone who damages vegetation pays for the damage. Never shoot at animals.
- **Consideration:** Show consideration for other players.
